NOTE FOR: Chief, Logistics Services Division,
Office of Logistics

Bob:

1. In connection with all your recent machinations in reassignment and moves of space--for which you and your people deserve high credit--there are three additional requirements I would like you to consider and then let me have your thoughts. They are:

a. Space for about four more people for OLC.

b. Space for about four additional people in OGC, preferably contiguous to their new space in the 7C corridor.

c. Space for four people and a special purpose vault to accommodate about 350 cubic feet of records for the History Staff.

2. Please give me a buzz when you are prepared to talk about this.
